

Student Technology Enhancement Program (S.T.E.P.) Terms and Conditions for Student Use of HCS HotSpot

HCS Parent/Guardian and Student agree to the following:

- In order to qualify for participation in this Program, a student must be enrolled with Huntsville City Schools (HCS) in the 3rd grade or higher.
- The qualified HCS student may check out an HCS HotSpot through his/her school's library media center.
- Upon check out, an HCS HotSpot is available for home (or mobile) use for a period not to exceed two (2) school days. An HCS HotSpot checked out on Friday will be due the next school day.
- HCS HotSpots will not be available for check out over extended school breaks (to include but not limited to Spring, Fall, and Winter Breaks).
- The HCS student must return the complete unit consisting of one HCS HotSpot, one power adapter, and one designated carrying box.
- Only one (1) HCS HotSpot per student may be checked out at a time.
- In the event an HCS HotSpot is lost or stolen while assigned to an HCS student, the parent/guardian (of the student to which the device was assigned) will be responsible for reimbursement of the cost of the HotSpot and/or related equipment. The cost of a HotSpot is \$70.00. The cost of a power adaptor is \$10.00. Failure of payment may result in suspension of the user's privilege of participation.
- Misuse of or intentional damage to an HCS HotSpot (or other district property) may result in suspension of the user's privilege of participation.
